

Stop Juggling Job Boards.  
Start Using Marketplace.

**One Platform.**  
**25,000+ Job Sites.**  
**Zero Fragmentation.**

## The Fragmented Recruiting Reality

### Before Marketplace:

- ✓ **6-8 Different Platforms**  
Multiple logins, passwords, and dashboards to manage.
- ✓ **Hours of Repetitive Work**  
Post the same job individually on each platform.
- ✓ **Missed Opportunities**  
Never discover niche boards perfect for your roles.
- ✓ **Tracking Nightmare**  
Remember renewal dates across fragmented systems.

## The Marketplace Process:

1

**Step 1:**  
**Smart Recommendations**  
Platform analyzes your job and shows relevant boards in organized carousels.

3

**Step 3:**  
**Post Once**  
Click once and reach all selected platforms simultaneously.

2

**Step 2:**  
**Select Your Strategy**  
Choose from niche boards, diversity sites, popular platforms, or search by industry.

4

**Step 4:**  
**Track Everything**  
Monitor performance across all boards from one dashboard.

### Key Stats

## The Marketplace Advantage

**25,000+**

Job sites accessible through one platform

**80+**

Prebuilt ATS integrations for seamless connectivity

**1 Click**

To post across multiple platforms simultaneously

**Hours Saved**

Every week on administrative tasks

## What You Gain

### Time Recovery

#### Get Your Day Back

Eliminate hours spent on fragmented job board management.

### Centralized Control

#### One Dashboard Rules All

Manage every job posting from a single location.

### Strategic Reach

#### Discover Hidden Gems

Find niche and diversity-focused boards you didn't know existed.

### Performance Visibility

#### Data-Driven Decisions

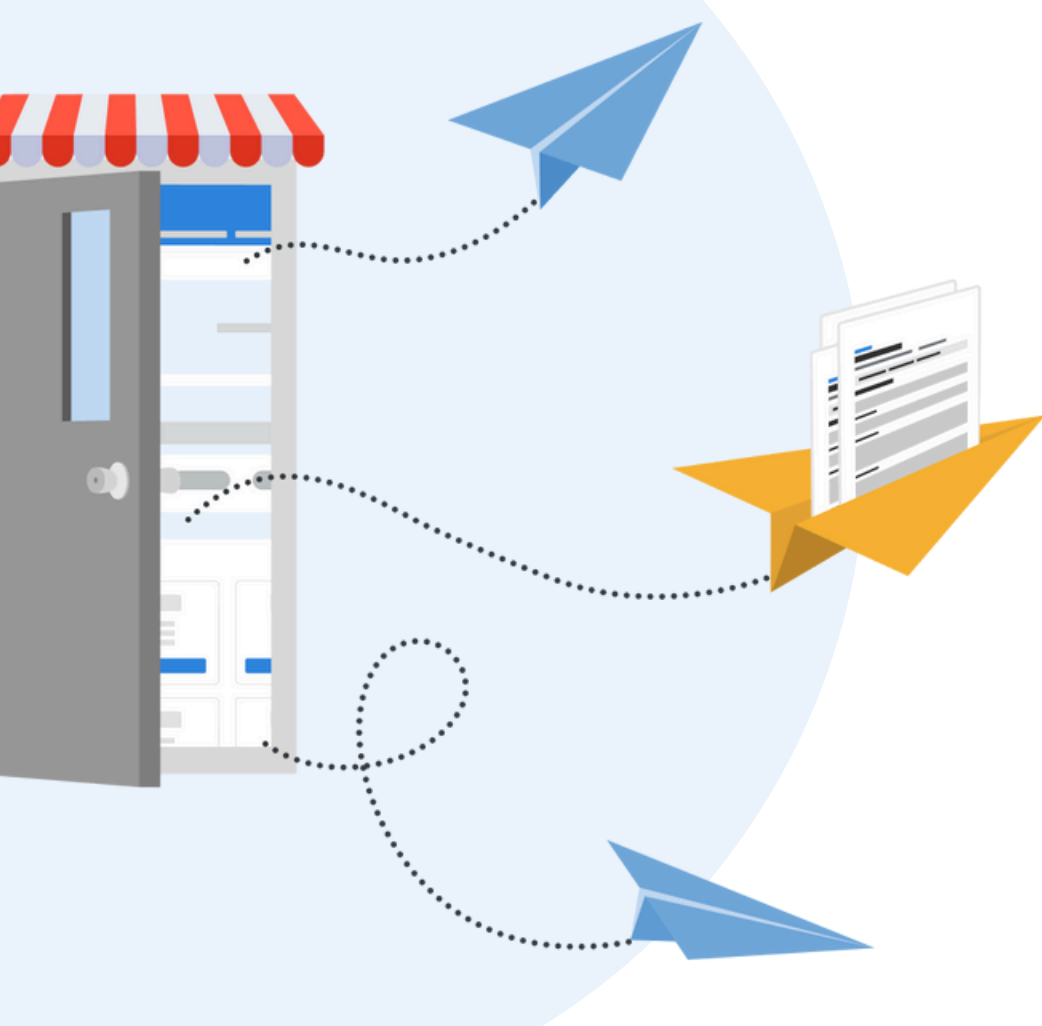

Track clicks, applications, and performance across all platforms.

### Flexible Model

#### No Contract Required

Self-serve, pay-as-you-go approach with no commitment.

## Perfect For:

- ✓ Recruiters managing multiple job boards.
- ✓ HR teams with limited resources.
- ✓ Organizations posting specialized or niche roles.
- ✓ Companies committed to diversity hiring.
- ✓ Teams needing performance visibility.

## Marketplace + JobTarget Suite

### Standalone Power

Fully functional as independent solution.

### Enhanced Together

Complements Programmatic advertising for specialized roles.

### Popular Combinations:

**Programmatic 360 + Marketplace**

**Sourcer + Marketplace**

**Programmatic Single**  
purchasable in Marketplace

"Marketplace gives back a recruiter's time to do the rest of their job: engaging candidates."

**Corey Landry,**

Director of Marketplace, JobTarget

## Post Once. Reach Everywhere.

JobTarget Marketplace centralizes job distribution to 25,000+ sites, eliminates fragmented management, and gives recruiters their time back.
